As published in The Harmonizer | May/June 2019

The numbers above the chord are the note in the chord for each part, Bass Bari Lead Tenor

This suggests which parts should be dominant (1,5) and which should back off (3,6,7,9)

The 7h is my own notation for the really flat (-31 cents) harmonic 7th which should be 7:4 of the root.

Use a flat minor third in the B^bm7 and lock the minor sixths.
