

SHABIBO

Tempo di Aquaman

TENOR LEAD

So let's say, let's say for the sake of arg-u-ment, that all of the wa-ter le-vels 'round the world rise by - (s) by, let's say five

BARITONE BASS

feet. O-ver the next hun dred years, say TEN feet! By the next hun dred years and it puts all the low ly-ing a-re-as on the coast un-der

wa-ter. Al-right, would you let, let's say all of that ha-ppens. You think that peo-ple aren't going to just sell their homes and move?
